OBJECTIVE

As a dedicated and fast-learning full stack developer, my goal is to contribute my technical skills and passion for web development to a dynamic team. With a solid foundation in both front-end and back-end technologies, I am excited to apply my knowledge in crafting innovative web applications that deliver outstanding user experiences. Eager to collaborate, learn, and grow within a professional software development environment, I am seeking an entry-level position that allows me to contribute to the success of cutting-edge projects while expanding my skills and expertise.

SKILLS

- Programming Languages: JavaScript
- Front-End: HTML, CSS, React
- Back-End: Node.js, Express.js
- Database: MongoDB, MySQL
- Version Control: Git and GitHub
- Tools: Visual Studio Code, Postman, Insomnia
- Other: RESTful API design, Responsive Web Design

EXPERIENCE

Scissors & Scotch, Dallas - *Barber*

January 2022 - PRESENT

- Actively promoted and upsold grooming products and services, contributing to increased revenue and customer satisfaction.
- Provided personalized grooming and hairstyling services to a diverse clientele, ensuring their unique preferences and needs were met.

Boardroom Salon, Dallas - *Barber*

January 2019 - December 2021

- Demonstrated excellent customer service skills by establishing rapport with clients, actively listening to requests, and offering professional advice on grooming techniques.
- Collaborated with team members to create a harmonious and welcoming atmosphere, promoting a sense of community and teamwork.

EDUCATION

Duncanville HS - *Highschool Diploma*

August 2015 - June 2018

Southern Methodist University - *Full-Stack Web Development Certificate*

May 2023 - November 2023
